CLASSIC CALIFORNIA DRY WHITE

Vintage Table Wine

Monterey County is recognized as one of the classic wine regions of the world. Its cool climate, light soil and exceptionally long growing season are ideal for certain grape varieties. From this region come many of the fine vintage wines of The Monterey Vineyard, characterized by complex varietal flavor.

Classic California White is a dry and complex blend of four premium grape varieties; the essential fruit acidity of French Colombard (35%), the flowery fruitiness of Chenin Blanc (27%), the unusual touch of finesse and breeding of Chardonnay (20%), and a combination of the crisp, tart character of Pinot Blanc (18%).

Excellent as an aperitif wine, with classic bouquet and flavor, Classic California Dry White is also an ideal accompaniment to hors d'oeuvres, fish and other seafood or light meals.

Serve chilled.
